Phoenix, AZ 85009

Dear Milli:

It is my great pleasure to recognize the Arizona Chapter as the 2007-2008 recipient of the Large Chapter of the Year Award. I understand the work and team effort that goes into a successful chapter year, as well as the diligence it takes to track the information requested for the Chapter Stars petition. Chapter of the Year Awards will be given out at the Chapter Recognition Luncheon on Monday, June 29, 2009 at ASSE's Annual Professional Development Conference in San Antonio, Texas. The luncheon will be held at the Grand Hyatt from 11:45 am to 1:00 pm. As an award winner, the Society will reimburse you for travel expenses up to \$500.00 so that you may send a representative from your chapter to receive this prestigious award in person.

As a Chapter of the Year Award winner, you are identified as a leader amongst the 151 ASSE chapters throughout the world, with regard to your professional development, chapter communication and superior service to your constituency. You have set your chapter apart as a true performer and you should be proud of your achievements. Your dedication and commitment have truly helped ASSE to continue to grow and thrive as a premiere organization through your outstanding efforts.

My hope is that the Society will continue to nurture leaders like you and that the chapters will continue to strive for excellence by following your example. I hope that your term as a Chapter President was only the beginning of your service to the Society and that you continue to thrive as a leader for ASSE on the local, regional and national levels.

Again, congratulations on your accomplishment and an award winning year! I hope to see you in San Antonio!

Sincerely,

Warren K Brown CSP, ARM, CSHM  
Society President

CC: James G. Gallup P.E., CSP  
Region II Vice President
